INTIMATE THOUGHTS AND XXX ADVICE

WITH
**MIA
MALKOVA**

Miss Malkova has embarked on a successful career as a legitimate star in the business. Her mix of glitz, glam, flexibility, and hardcore sexual acrobatics has earned this delicious young lady a strong and loyal fan base, with critics raving about her performances. We have to admit, she's one of our favorites because she never fails to please. We hope that she'll keep at it for a long time and keep please the men and women who watch her and fuck her.

What kind of girls do you prefer to work with?

I like girls that are very natural, girls that really turn me on, but I think a really beautiful. There's a bunch of girls out there who are just gorgeous, and they perform such amazing hot scenes where there's really a lot of chemistry. I like chemistry in my scenes. I like a lot of kissing, a lot of touching, but I like it to be hardcore, too. I can get pretty nasty, but mostly I like the passion and connection between two people so I always try to pick people that are really into each other. I always ask the girls if they want to work with me before we do anything. There are certain girls that I shot with a few times that I have a thing for.

And what guys do you want to do scenes with?

I have a mental list of guys I like to fuck because I know they're good performers and I know that

they'll deliver and are really into the sex. I don't like the guys who have no passion for me or the scene. I really like the guys who are into beautiful women and into the fucking and into the sensuality of it. I tend to pick those types of guys. I want to get off and do a good scene. That's important to me.

Do you have a memorable moment so far?

That would probably be all my firsts. I was so hesitant and apprehensive to get into the business, so that would be my first year, my first boy-girl, girl-girl, threesome. And my first blow job and anal scene. I didn't do anything more risqué until later in my career.

When it comes to anal, is size a problem?

It took a while to get used to doing anal. The direc-

tors wanted it, especially when they saw my booty. I did start small, and practiced a lot. I thought that was the best way to get used to it. As I became more successful, I was able to pick and choose who I would let fuck my ass. I think I can handle a pretty big dick, as long as I'm well lubed back there.

Are you still super tight after all these years?

Yeah, I think I am. People think we have sex all the time, but I really only shoot about three sex scenes a month. When I first got in the biz, there was a shoot every single day and sometimes a couple of times during the day. But now, it's like I shoot a few days a month. The rest of the time I'm touring and working on my selfish things.

How about your private life, are you having more sex there?

Yeah, since I cut back the number of scenes I do, my libido has not gone down much. I have some private relationships and I also see people I like from the business.

You seem to like anal sex quite a bit, yes?

I've always been an open sexual person. I was never ashamed or thought it would be weird, except to do it on camera! For me, it's a really intense orgasm. It's different than a vaginal. It's different than getting your pussy eaten out and having a clitoral orgasm. It's just different. And that something you don't have often. It's kind of a special body thing.

Do you love anal more than vaginally sex?

For me, it's just different. I love them both for different reasons. You can't compare apples and oranges. I like them both but they're just different.

Are you a dominant or submissive person?

That type of thing depends on what kind of guy or girl I'm with. With the guy, I'm usually submissive most of the time and with the girl it's usually 50/50.

Have you ever pegged a guy?

I wouldn't say never, but it's not my thing. Even with a girl.

Okay, it's about time I asked about your amazing flexibility. Well?

Yeah, I'm kinda known for that. It's just the way my body is constructed. I may be missing a spinal disc or something (*laughs*). I've never had my spine x-rayed, so I just do what I do. I'm sure you've seen me flex in a lot of my movies. I can't say that it adds anything sexual for me, but it looks fun in videos.

Do you have a hottest scene you've ever done?

Ooooh, there's too many and they tend to blur together. But I do remember about two months ago, I was working with this guy, who shall remain nameless, where I made him cum twice in one scene. That was pretty great, but the director said he couldn't finish his scene later in the day.

I know there are all sorts of weird locations and situations that you have sex in the business, but what about your personal life?

Let me think for a minute. There haven't been that many, but there was one time at Venice Beach that,

I had a quickie in the lifeguard tower. The dude was out telling some young guys to stop bothering people on the beach and so I ran up there with a friend and he put it in me after I lubed him up with my mouth. He put it in and did a few thrusts and then we bolted. Does that count?

Before we go, may I ask about threesomes? Do you like it with another girl and guy or two guys?

Are those my only choices? What about two other girls? That's really my favorite. With a guy in the scene, there's too much focus on the cock. I understand that. With two guys, it's also a focus on cocks and often they are rough or just pounding away. With three girls, there's a balance of sex, especially if there are no toys or such. The flow is better, the sex is smoother. There is little the director has to do except let us lick each other and such.

Let me thank you for your candor and your constant smile.

(giggles and breaks out into a huge grin) Thanks, it was fun. I want to shout out to my fans and your readers. I love them all!

A black grand piano is positioned in a bright room with large windows. The windows look out onto a residential neighborhood with tiled roofs and trees. Sunlight streams in from the windows, casting long shadows on the light-colored tiled floor. The piano is a classic grand model with its lid open. A blue horizontal bar is overlaid on the image, containing white text.

Sultry Mia wants to be an accomplished pianist. She writes short eight bar ditties and tickles the ivories any chance she can get. Mia tackles these tasks the way she fucks (you knew we'd get to that). She also enjoys spreading her full, young ass for men and women who appreciate a fine flesh concerto. But lets join her as she takes a break from all the hard practice to play a little scene for us.

DARCIE DOLCE & LEIGH RAVEN

Leigh likes the way Darcie looks. It's her fine butt, her full boobs, and that exotic Sophia Loren-ish look. When Darcie gets close, Leigh's scent drives her crazy. Soon Darcie will let Leigh slip her curious fingers down the front of her jeans and diddle her clit until her juices flow, and Leigh's palm is slick with hot, lezzie cum-sauce. Fortunately, these ladies have learned to give as well as receive. And even better, they know that a camera in the room allows us to receive also.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

SEX IS A SPORT, TOO

This June I went to Dave's Sports Grill in Dallas to watch the Mavericks and Rockets with some buddies. It was packed, of course. As we were sitting there, this fine Hispanic-looking girl named Esmerelda came up to our table and complemented us on our b-ball tops. We were all wearing Mavs jerseys and so was she. It turns out she and I were wearing the same one, #3. I scooted over and she pulled up a stool and joined us. We ordered more rounds and watched the game, which the Mavs ultimately won.

As the crowd thinned out and the guys wanted to leave, I told them to go ahead and asked Esmerelda to stay and have a bite with me. She agreed and we ordered some hot wings. As the afternoon got later, she whispered in my ear she always had a fantasy about having sex with a guy while he was wearing a Mavs jersey. We decided to go back to my place and found my four other buddies there. We told them we wanted to have some privacy but they said no. Esmerelda apparently was not shy and was cool with it. We headed straight for the bedroom and immediately she took my pants off and started sucking me running her tongue up and down my shaft.

She pushed me down on the bed and settled between my legs. The other guys took up spots around the bed and cheered her on sucking my cock. She pushed one of the guys off the bed and looked at me. Esmerelda climbed on the bed, got on her knees and motioned me to get behind her. I was up like a bullet pass and stuck it into her wet and waiting pussy. I lasted as long as I could but just long enough

for her to cum a couple times. When it was my turn, I felt her pussy clinch tight around me and I pulled out as fast as I could. She grabbed my cock and held it above her mouth and let my cum pour into her mouth, except some of my cum dripped onto her Mavs jersey since she never took the jersey off. All the guys shouted and high-fived each other and me when she stopped slurping. I'd never had sex with a girl while she wore a sport jersey. That little fuck with Esmerelda made me so hot and horny like never before.

I went back to Dave's again for the next game hoping to run into Esmerelda again, but no luck. I asked the bartender about her and said she was here earlier but left with a bunch of guys. I asked if any were wearing Mavs jerseys.

SIZE SHOULD MATTER

I decided to write to you because I found your magazine in my husband's briefcase and looked through it. While I don't really mind that he has it, we've always been pretty open. But as I look through some of the pictures, I can't help but notice how big almost all of the guys are. I mean, I've been with several men before my husband and even swapped penis-size stories with my girlfriends, but them guys in the photos are just huge. I saw

this one guy, whose cock was just amazingly thick. His cock was thicker than the girl's arm and it was pretty obvious she was having a hard time sucking it.

Now understand that we've been married for twelve years and I truly love him, but it seems that he is getting smaller. I understand it may have something to do with how much he uses it (or I may have gotten less firm down there) but his penis is too small to give me the same pleasure I remember from having sex with other guys. Now when we're fucking and I move around or try to move up and down hard and fast, his cock slips out of my pussy. It often slips out several times

while we are going at it, and it sure does put a damper on things when I'm really into getting off. Sometimes I like hard thrusting sex but I just can't do that with him. Yeah, I can still climax, but it takes forever and it is not as intense as I'd like. There are times, even if I cum, that I have to re-finish myself off with my trusty vibe. I would like to use a larger one or even a nice big fleshy dildo but don't want my husband to find out. I am sure it would hurt his ego. But I've been thinking that I may ask to introduce some toys into our sex sessions and see what happens. Short of cheating on him, that's the best I can do. Oh wait, maybe a threesome? That would be tricky, especially since he would want to do another woman first.

FREYA'S FONDLING

It's early Friday evening and after a hard day of classes, I needed to relax and have a beer. I popped the top and headed for the hot tub in the back of the house. My name is Ian, I'm twenty and I live with my thirty year old sister's best friend. Why? Because last month she split with her man and had nowhere to live so I said she could stay with me until she got on her feet again. Well, it seems that sometimes she's not to anxious to find her own place. So I get into the hot tub, naked. Just me, and my beer, and the hot bubbles. And peace and quiet.

Suddenly, I hear a bunch of female voices headed towards me. My roomie walks in with a couple of her girlfriends in their bikinis. It was dark so they couldn't see I was naked. After they had been in the hot tub for a while, I decided to get out. I covered up with my hands and stood up. They all sat there wet in the tub looking at me. I could tell they were all trying to sneak a peek at my stuff but I grabbed a towel and tried to cover up. As I turned to leave, Freya, the blonde, grabbed the towel and left me there starkers.

I went to take a shower and in minutes Freya pulled back the curtain and was

standing there naked. She got in the shower with me and immediately grabbed my dick and I instantly got hard. She pulled the curtain shut and lowered the shower spray. Dropping to her knees, her mouth circled my cock and started sucking on it. I leaned back under the spray and closed my eyes. I felt her reach behind my buttocks with soapy fingers and she started playing with my asshole. I couldn't believe it, but I gotta admit that it felt pretty good. It was soft and slippery and the warm shower had made my muscles relax. She pushed a finger in to the first knuckle and I moaned as she did that and also took my whole cock into her mouth. Somehow she got up a rhythm that made me jerk my load right

down her throat. She took some spray into her mouth and gargled, then spit it out. That was pretty amazing, I thought.

— Ian from Flagstaff

OBEDIENCE

I came home late on Tuesday from work exhausted, threw my briefcase down and saw my newlywed husband just staring at me. I instantly got a chill running through my body but had no reason to understand why. He took a sip from his merlot and, without even saying 'how was your day,' told me to take my blouse off. I asked why, and then he said in a stern voice, "Because

I'm asking you to."

I unbuttoned slowly, looking him straight in the eye and let it drop to the floor. He takes another sip, "Now the skirt." I unzipped it, and stood there in just my bra, panties and high heels. Then he softly demanded, "Take off your bra... Now your panties." I felt myself begin to get wet. "Finger yourself, and make your nipples hard." I ran a finger down there and rubbed my button, and teased my nipples with my other hand as he watched, fully clothed, still sipping his wine.

He told me to lick my fingers. I brought them up to my mouth and tasted myself. "I want you to come over here." I could see the big bulge pushing against his pants, and I undid his buckle, unzipped him and pulled his boxers down. I wrapped my fist around his hard cock, pumped it up and down a couple times, and lowered my head but he stopped me. "Now put it between your breasts." he said. I held it between my boobs, and pushed them together, and he slowly started thrusting between them. He took another sip.

"My dear, I want you to lick the head every time it comes up." I started nibbling his slit as it slid up to my mouth. I licked the clear juice that started to bead on his slit, tasting the saltiness. He put his glass down.

"Bend over the sofa arm." He stood up and I felt the tip of his cock part my pussy lips, then I felt his hands on my waist. He pushed it into me, and started rhythmically fucking me. It felt so good. He slapped my butt cheeks, and started going faster. I was pushing back into him, needing it. I could hear his hips slapping against my bottom as he really started to drill me harder and harder. I told him I was close, and he went even faster and I felt the climax rise inside of me. I moaned as my body was overwhelmed with the spread of pleasure from my groin and buried my head into the sofa seat. He kept giving it to me hard, as my orgasm ended, grunting, and then he stopped, as deep as he could get, then pulled out.

He pulled out a bottle of lube and squirted some into his hand. He rubbed some on his cock and then stuck a finger into my ass. It was warm, but it didn't hurt. In fact it just heightened my pleasure. I knew what he was about to do and I couldn't wait. It had always been a secret fantasy of mine to get fucked in the ass. I couldn't believe it was finally happening. He got in place behind me.

tioned myself to sit on the sofa and looked up at him as he pumped his cock in front of my face. I opened my mouth and stuck out my tongue. It didn't take him long to shoot what he reserved into my mouth. "Now swallow." he said. I swallowed it down greedily and licked my fingers. On Thursday, I'll return the favor.

— Lucia, San Francisco

I SUCKED ON JUST THE TIP AS MY HANDS WENT TO WORK ON THE SHAFT AND HIS BALLS.

He pushed the tip of his cock into my ass and I leaned back so that he slid the rest of the way in. Then he started pumping in and out of me. As he built up steam and rhythm, my body felt like it was on fire. "I'm cumming, again!" I yelled. Then he pulled out of me and got up. "I want to see you with cum all over your face." I reposi-

We think we're a liittle bit more free with our bodies when it comes to having sex with women. We know what we want and aren't embarrassed to tell each other. With guys we're a little more shy or we think they just don't get the female anatomy. To top it all off, women have nice gentle curves and soft skin. There's no stubble on their faces when we kiss, and we women just love to smell good. With 90% of men, they smell like men. And that's the problem, they smell like men! But, in the end, we still love them, too! We have to!
